**SCIENCE:**

**1. Nature's Magic Print**

Students will collect fresh leaves and vegetables and use them to create creative prints on an A4-sized sheet. With the help of elders, vegetables can be cut into different shapes. Apply poster colors on one side of the leaf or vegetable and press it gently on a sheet to create prints. Repeat with different colors and shapes to design an attractive pattern, garden, or scenery.

Complete it according to the roll no.

**Roll No. 1-17: Use different shapes of leaves**

**Roll No. 18-39: Use vegetables**

## SOCIAL SCIENCE:

### **“Travel Without Moving”**

Students will choose any city/country which they wish to travel and create a travel brochure or guide with: food, culture, clothes, famous places.

#### **Instructions:**

Take A4 size sheets of paper and join them side by side so they can fold like a brochure.

Make a bright and decorative colorful border on each panel.

What to Write in Each Panel:

**Panel 1 (Cover Page):** Write the title (name of the place), your name.

Draw a big, neat picture related to the place

**Panel 2 (Culture & Clothes):** Write about what people wear. Mention traditions or festivals. Draw a map.

**Panel 3 (Food):** Write about 2–3 famous dishes. Mention any special ingredients or tastes.

**Panel 4 (Famous Places):** Draw or paste pictures of: One historical landmark, One modern landmark

#### **Note**

Write everything neatly by hand. Keep your work clean, colourful, and creative.
