MATHS

Activity: Maths Scrapbook

You are required to prepare a **Maths Scrapbook**. You may choose an interesting title such as:

Fun with Maths / Maths Magic Book etc.

Instructions:

- Prepare a neat and creative **Scrapbook (5-6 pages)**.
- Each page should contain **one maths activity or game**.
- Write the **rules/instructions** for each activity clearly and solve it.
- Make your scrapbook **colourful and attractive** using drawings, colours, stickers, etc.
- Try to make your activities **interactive (playable)**.

Suggested Activities:

You may include the following:

- Sudoku (Easy Level)
- Magic Square Puzzle
- Missing Number Pyramid
- Number Pattern

(You may also add other creative maths games of your choice)

SCIENCE

Topic: Science Behind Food

Prepare a colourful flipbook by using cut-outs and drawings on the topic "Science behind Food". Select any 5 commonly used/consumed items (for e.g. banana, carrot, milk, rice, egg, etc.). For each food item paste / draw a picture and describe the nutrient present, Health Benefits and also include one interesting fact related to each food.

(Support your work with Illustrations, examples and scientific facts)

Material Required

A4 size sheets, sheets, Colour pens, Pictures (from old magazines/newspapers)

Pages:

Page 1: Title Page

Page 2: What is Food?

Page 3: Nutrients in Food

Page 4: How Food Gives Energy

Page 5: Science in Cooking

Page 6: Good & Bad Microorganisms

Page 7: Balanced Diet

Page 8: Science in Food Production

Page 9: Conclusion

Creative Ideas

- For each food item show nutrients present and health benefits.
- Use small pages with picture cut-outs and short notes.
- Use at least 10-12 pages.
- Make it attractive with colours drawings and labels.

SOCIAL SCIENCE

Students are required to prepare a brochure on the topic "Types of Economic Activities" covering Primary, Secondary, and Tertiary Activities.

The brochure should include:

- Clear explanation of each activity
- Relevant pictures/drawings for each type
- Examples to support the information
- Creative presentation (neat, colourful, and well-organized)

Kindly ensure that the work is done neatly on A4 sheets or as a folded brochure.
